## Washington, D.C. Chapter

2025

The Washington, D.C. Chapter is excited to run its 2025 ROTC Scholarship Fundraising Campaign! We're reaching out for your support—and the support of your company—to help us raise \$35,000 and make a lasting impact on our future leaders. Let's make a difference, one contribution at a time!

The recruitment and retention of quality individuals to serve in our Armed Forces continues to be of paramount importance, especially in light of the momentous changes our Armed Services will be facing. Our Nation is blessed with patriotic young Americans who continue to join our volunteer military, and our chapter is honored to enable the best and brightest with contributions supporting their career choice. We hope that your continued support of local ROTC Cadets and Midshipmen will play a part in demonstrating to them how much we appreciate what they are preparing to do for our Nation.

Our merit-based scholarships are designated for "high potential" ROTC Cadets and Midshipmen in the Washington, D.C. metropolitan area. Last year we were fortunate to receive generous personal and corporate contributions from our Board of Directors, as well as individual chapter members and non-chapter members. This year we have committed to award fourteen scholarships totaling \$35,000. Seven individuals will be awarded \$3,000 and seven individuals will be awarded \$2,000.

We would appreciate your personal and corporate support. Your contributions – both personal and corporate – are fully tax-deductible by law (NDIA's tax ID is 53-0196547). Credit card contributions can be made at: <https://ndiarotcscholarship2025.eventbrite.com> or you can pay by check. Make check(s) payable to **NDIA Washington, D.C. Chapter Scholarship Fund** and mail to:

We will recognize all contributions received at each monthly board meeting and our quarterly Sr. Defense Leaders Forums, including our awards luncheon in the fall. Approximately 150+ senior Department of Defense executives, government officials from the Executive and Legislative branches, and industry executives attend these luncheons.

Please don't hesitate to contact one of us at any time if you have questions about this program. Our contact information is found below. Cheryl Luczko, our Chapter Administrator can also help you. She can be reached at [cluczko@verizon.net](mailto:cluczko@verizon.net) or 703-904-9599.
